Romantic Oddity

by [LadyAxisNeoluna](#)

Summary

Short, chat style dabbles of Houka and Ryuko, and the struggle of people believing them to be a couple. Dabbles don't overlap.

Chest

Chapter Summary

Houka landed on something soft.

Ryuko: Huh? Gwaa!

Inumuta trips and lands on Ryuko

Ryuko: Ita... *!* *irritation* Inumuta, where do you think you're touching.

Inumuta: ... Your left breast specifically. *feels and squeezes without any hint of embarrassment.

Ryuko: WHAT ARE YOU DOING?!

Inumuta: Testing the feel of it. *removes his hand* I would say it's a perfect size once I've impregnated you and you bore our offspring. Hopefully they don't become too painfully tender.

Ryuko: A-ahh- *speechless and blushing beyond belief*

Inumuta: *smirks* Oh so you're not completely against it.

First Step of Courtship

Chapter Summary

The first step of getting to know a person is to ask them out...and Mako miming something about puppies.

Ryuko and Mako walking in the halls of Honnouji Academy.

Mako: “I’m kinda sad Satsuki-sama is planning to destroy the school soon. It was always exciting.”

Ryuko: “Even when a lot of the clubs were making you hostage?”

Mako: “Well that was part of the school’s fun!...Oh? *notices Inumuta and waves frantically* “Oh, Inumuta-senpai! Hi!”

Ryuko: “Inumuta?”

The three of them stopped in the hall

Houka: “Mankanshoku.” *turns to Ryuko* “Matoi Ryuko.”

Ryuko: “Hey.” *Looks at him curiously* “Do you need something?”

Houka: *smiles* “Matoi Ryuko, I want the two of us go on a date.”

Ryuko: *feels a bit hot and blushy* A date?

Mako: *happy gasp* *hallelujah* “Ryuko-chan, this is a moment you should treasure in your young life. Inumuta-senpai is a guy that had been a icy lone wolf forever ago. But! In that lone wolf are puppies. Puppies that want go out to play, eat, and share mumbo jumbo talk that only Ryuko-chan could understand one day. Don’t you want to play with cute puppies that light your heart forever Ryuko-chan?”

Ryuko: *looks speechless* Ah-Ahh-Ahh...

Houka: *stays silent for a moment before clearing his throat* “Interesting analogy, Manakanshoku. But we won’t know if that’s relevant until Ryuko says “Yes or No”.” *looks intently on Ryuko*

beat

Ryuko: *blinks. Sighs in defeat from the both of them and smiles* “Sure Inumuta, I’ll go out with you.”

Mako: “Woohoo!”

Ryuko: “Do you have a time and place in mind?”

Houka: “I’m thinking of doing something simple as some shopping, dinner and a movie. Maybe I’ll pick you up around 3:30 tomorrow?”

Ryuko: “That sounds good. I’ll see you then.”

Houka nods to this and walks pass the two

Mako: *whispers* “I think you should bring protection just in case he thought of making “puppies.”

Ryuko: Mako! I don’t think that will happen anytime soon! ‘...though that isn’t a bad idea...’

Houka smirks in amusement ‘I wouldn’t mind some if we ever go to that stage in the future.’

Crazy Question

Chapter Summary

Does one ask this on their first date?

watching Ryuko eat strawberry cheesecake

Houka: So Matoi Ryuko, how many children do you want with me?

Ryuko: *suddenly gags, drinks water and clears her throat* What kind of first question is that?!

Houka: *chuckles and adjusts glasses* One where I'm hoping the woman in front of me, would be my potential wife one day.

Ryuko: *blushes and looks away embarrassed*

Houka: *smirks* So how many?

Ryuko: ...At least two, three if we could manage it.

Houka: *Takes her hands with his, looks absolutely serious* I'll make sure their conception is pleasurable.

Ryuko: *embarrassed*

You're Dating Who?

Chapter Summary

Is it really unbelievable for Houka to date someone?

Sanageyama and Jakuzure: You're dating Matoi/the transfer student?!

Inumuta: *indifferent while browsing his phone* Yes. Why would that be a surprise?

Sanageyama: *has weird brain broke look and can't talk*

Jakuzure: *points accusing finger* You practically live in the academy's war room, how did you two even become a couple?!

Inumuta: *sighs and stops browsing* I am interested in Matoi Ryuko because I found her attractive. I asked her in person if she would be interested in a date, she was surprised but did accept. We had a pleasant evening and agreed to continue dating exclusively. Isn't that proper dating or courtship etiquette?

Sanageyama and Jakuzure: *still can't wrap their heads around the simplicity of the explanation."

Inumuta: ...Apparently my love life is an abstract concept with you two.

No Words, Just Affection

Chapter Summary

They don't need to talk to send each other a point.

both sitting on a bench

Houka: ...

Ryuko: ...

Houka and Ryuko: ...

Ryuko: *side glance* *looks away* *purse lips and blushes*

Houka: ? ... *ponders* *smirks* *leans in...* *quickly smooches cheek*

Ryuko: !? *turns head sharply*

Houka: *amused look*

Ryuko: *pouty, challenging look* *leans in* *smooches firmly on lips*

Houka: *mildly surprised* *stays still*

Ryuko: *pulls away*

Houka: *lightly blushes* *chuckles in more amusement*

Ryuko: *self conscious look*

Houka: *holds close* *gives lingering smooch*

Ryuko: ?... ♥

Houka: *pulls away* *forehead touch* *smiles* *gives appreciative look*

Ryuko: *huffs* *smiles back*

Houka and Ryuko: *cuddles in* ♥

Sitting

Chapter Summary

Houka takes a third option. Satsuki doesn't interfere.

Satsuki: *sips tea*

Gamagoori: *stays still and vigilant*

Mako: *On Gamagoori's shoulder, dozing off*

Sanageyama: *finger wave taps the council room sofa*

Jakuzure: *chewing and popping gum*

Inumuta: *typing, typing, more typing...*

Ryuko: *sitting in the straddling position*

Entire Room: ...

Sanageyama: *brow twitch* Okay I'll say it!

Everyone except Inumuta: *Looked at Sanageyama*

Sanageyama: Why are you and Matoi sitting like that Inumuta?

Inumuta: *continues to type away* I wanted to both cuddle and continue my work. I didn't want to choose one so I decided on Ryuko straddling me while I work.

Ryuko: If it's a grievance, my groin's gonna hurt before he's done.

Satsuki: *puts cup on saucer* As long as you use protection, Imouto, I will not intervene.

Ryuko: *groans from bad joke and buries her face on Inumuta's shoulder*

Inumuta: *greatest urge to laugh but holds back* I'm well stock on condoms, but thank you for your concern Satsuki-sama.
